

**NEHRU MEMORIAL COLLEGE**  
[AUTONOMOUS]  
PUTHANAMPATTI - 621007

**AN HEARTFELT APPEAL FROM OUR FOUNDER PRINCIPAL**  
**GREETINGS FROM NEHRU MEMORIAL COLLEGE**

**Dear Alumnus,**

**Nehru Memorial College**, established in the year 1967, serves for the cause of providing higher education to the wards of poor farmers. Starting with few programmes in a tiled building in the early years now the Institution has expanded its wings with more programmesthrough state of art infrastructural facilities. In the course of time,the Institution hasbecome an Autonomous Institution and at the present moment it proudly marchestowards**Golden Jubilee**(2016-2017). As this success is mainly contributed by thousands of our alumni and theirunstinted support, the college would like to establish a close contact with its alumni. Definitely the Institution, its environment and its faculty members have helped you to improve your confidence level and achieve great success in your life.I hope that now you are in a better position in the world and leading a successful life. It is not an exaggeration to say that the Institution is not built simply by brick and mortars but by the pillars of thousands of students like you.

As we are planning to celebrate the Golden Jubilee from June 2017, I feel that a compendium of cherished memories, nostalgic feelings, varied experiencesetc, will definitely be useful to the Institution for a better communication with you all. We also propose to establish an exclusive web site for our alumni so that all of you could share your experiences through this platform.So I humbly request you to fill in the enclosed proforma and send/submit it to the Principal by Post and also send a softcopy to the email [\*\*nmc.gj.alu@gmail.com\*\*](mailto:nmc.gj.alu@gmail.com)

Please pass on this information to your near and dear ones. As we are planning to bring the **Alumni Directory** in the month of June 2017, kindly cooperate with us so that we will record your valuables suggestions/ideas/view points in the directory.

Soliciting your cooperation in this regard,

Best Wishes

**Puthanampatti**

**Achievements made by you(Professional/Social/Educational) :**

Srinivasan Desikan is the author of one of the bestselling book "**Software Testing - Principles and Practises**" which is being used by more than 60 universities across the world. More than 80,000 copies of this book has been sold and is available in English and Chinese languages.

He has received one of the biggest engineering awards "**Employee of the Year-1999**" at Novell for setting up system test team and the lab from scratch and Rock-Star 2013 award from HP for his contributions towards testing services portfolio. He is the recipient of "**Testing Thought Leadership Award**" from Test2008.in for his contributions to both academia and Industry.

He has vast experience in the areas of test automation, test management, test processes and in setting up test teams from scratch. He has delivered talks on testing at international conferences both in India and abroad, such as QAI-India, ASIASTAR-2002 (Melbourne, Australia), PSQT/PSTT-2003 (Washington, USA), CSI, BCIC, IEEE, SPIN (Chennai), ICCA(Pondy), STEP-AUTO and STeP-IN. He has more than 20 technical publications with magazines such as CTO Forum, PCQuest, Times of India, Deccan Herald, Express Computer, SEA Software ...etc.

He has two patents on Regression testing and white box testing. He is currently doing his research in defect detection and prevention mechanisms for mission-critical software applications based on

matured automobile industry experiences (Toyota-way).

He is also serving as honorary advisor to colleges and Universities in course design, delivery and Instruction methods for software engineering and design. As an honorary advisor to companies he helped many of the testing services organizations in setting up and improving their competency and business.

**Your Greetings/Message for Golden Jubilee Celebrations - 2017**

**Nehru Memorial College was the first college in Tamilnadu to introduce B.SC computer science in the year 1983 to serve the surrounding villages with new astounding technologies of the world. It was not a simple thing but Mr. Ponnambalam did it as a challenge, not just as Principal but also as a Senate member of Bharathidasan University. The college management, the committed teaching staff and extra efforts by the college (to give an example: to partner with Ziffer Data management training institute) made us as outstanding students of the university when we passed out as First Batch students of computer science. I was one of those benefited by this college and it helped me not just in getting good education and a great job, but also to grow to new heights, to stand up and proudly say that I am an Alumni of NMC. On this occasion of this Golden Jubilee I wish very long years to NMC and to the able management in imparting quality education to the needy in villages and cities around Puthanampatti.**
