Date  
Sep 28<sup>th</sup> - 2<sup>nd</sup> Oct 2017

+1 Students  
Don't Miss this rare  
Opportunity...

## NOMINATION INVITED

### OBJECTIVE:

Innovation in Science Pursuit for inspire Research (INSPIRE) is one of the innovative programs by the Dept of Science and Technology, New Delhi for attraction of talent to science. The basic objective of INSPIRE is to communicate to the youth population of the country the excitement of creative pursuit of science and attract talent to study of science at an early stage and build the required critical human resource pool for strengthening and expanding the science and Technology and R & D base.

About 150 students will be selected for the proposed camp. Mentor for INSPIRE internship would be various Academy fellows, Bhatnagar Awardees, Scientists and Academicians of national and International repute. They would with the students through lectures related to scientific success stories and joy of innovation across all science streams which in turn would nourish the curiosity among the children in science, help them to think out box and attract them at an early stage of 16- 17 years to enroll /pursue their academics/ career in science. This will be followed by personal interaction in an exclusive set up at camp.

**Registration** : Registration is must but fully free of cost.
