SEVENTH INSPIRE SCIENCE CAMP UNDER INTERNSHIP SCHEME FOR SCHOOL CHILDREN

(Innovation in Science Pursuit for Inspired Research)

Sponsored by

**Department of Science and Technology (DST), New Delhi,
Government of India**

July 31st - 4th August , 2018

INSPIRE is an innovative programs for class X passed students sponsored by the Department of Science & Technology, Govt. of India, in order to strengthen the National Science and Technology base. The aim of INSPIRE is to inculcate scientific temperament in the young minds of our country and build the required human resource pool for strengthening and expanding science and technology system in R&D base. The programme is being generously funded by the Department of Science & Technology, Government of India, New Delhi.

More than 800 students have participated in this inspire camp during last three years. The mentors who have interacted with the students during the above programme are Bhatnagar Awardees, Fellows of Academic of Science, and distinguish scientist from different parts of India.

INSPIRE Science camp for the school students of Tamilnadu is organized by sixth time at Nehru Memorial College, Puthanampatti, Trichy. It will be a free Internship Program for students of Tamilnadu during **July 31st – 04th August, 2018**. In this program, the toppers and meritorious students of Class X Board Examinations and

who are presently pursuing science in XI standard will be given an exposure to intensified, stimulating and brainstorming interaction with highly esteemed scholars and mentors through lectures, discussions, lab experiments and lab visits. A maximum of 150 students will be admitted to this program. The selected candidates will be provided free registration, local hospitality and travel allowances.

Eligibility : Top 1% of students who cleared the X Board Examinations with 94.2% in the aggregate marks (CGPA - A1 for CBSE and 95% for ICSE), pursuing course in Science in the XI standard and not attended a similar Science Camp elsewhere earlier are eligible for selection to this program. The applications will be subjected to selection.

How to apply: Prescribed duly filled-in application form, signed by the Principal/ Head Master of the School where the candidate is now studying may either be submitted at the postal address given below or be personally submitted to the Co-ordinator, INSPIRE Science Camp, Nehru Memorial College. Advance copy of the form & mark sheet of X Class can also be sent by Email.

Last Date : The receipt of duly completed form: **July 25th, 2018**. The application form can be obtained from the Co-ordinator by Email request or downloaded from the college website www.nmc.ac.in
