ABOUT THE BHARATHIDASAN UNIVERSITY

Bharathidasan University, domiciliated in Tiruchirappalli, 'The Land of Carnatic Wars' and 'The Educational Hub' of the state of Tamilnadu, stands with the mission of nurturing education seasoned with valour. Having set several milestones, today the University has crossed epitomes and has swept a long way in its journey begun in 1982. Built with the virtues of the eternal and esteemed poet Bharathidasan, the University is working towards "creating A Brave a New World" and is endowed with 34 departments within the campus having versatile potentials. Apart from the 8 constituents, 19 autonomous, 15 affiliated institutions, the University has 11 research centres and about 69 self-financing colleges in its canopy catering its needs.

The department of Animal Science, BDU was established in 1993 and it is one of the leading research centres in the University besides with M.Sc. & M.Phil programs. The Department is well supported by DST-FIST and UGC-SAP II phase.

ABOUT THE NEHRU MEMORIAL COLLEGE

Shri. M. Mooka Pillai is the founding father of this institution and the college was inaugurated by the late Shri. C.N. ANNADURAI the then Chief Minister of Tamilnadu on 18th JUNE 1967 with a noble cause of spreading higher education to the rural mass. Nehru Memorial college (N11° 03.845'; E078° 41.007') is one of the Pioneering Educational Institutions in Tiruchirappalli District, Tamil Nadu. The college is situated in a rural setting with amicable and safe surrounding admirably suited to academic pursuits. The college is affiliated to Bharathidasan University, Trichy. The college has been granted Autonomous status on 8th November 2004 and accredited with 'A' Grade Status by NAAC. The college has 4000 student strength with eminent faculty and state-of-the-art educational facilities. The college is not only updating the students with current educational trends but also shapes the students to become the global citizens. The college invites leading employers to conduct campus interviews for the selection of promising students.

ABOUT THE DEPARTMENT OF ZOOLOGY

The Bharathidasan University granted affiliation to this college to start B.Sc., Zoology Major in the academic year 1982-83. In 2003-04 the Department had the privilege of starting the M.Sc., Zoology course. Thereafter it was recognized as a Research Department with starting of M.Phil (Full Time/Part Time) and Ph.D (Full Time/Part Time) programmes in 2005-06. Two Diploma courses viz., Advanced Diploma in Biofertilizers & Vermiculture and Advanced Diploma in Herbal Plant Nursery were started in 2004-2005.

There are number dreadful diseases occur in human being, however, attempts are being made to prevent and cure the diseases. Currently, several Modern techniques are available to treat the disease. Both biological and medical scientists play a pivotal role in human health. A common forum is needed to discuss about the recent trends in biological/medical sciences. Hence, this seminar is aimed at providing such an opportunity to international biological Scientists to update themselves of recent trends in bio-medical sciences.
