REPORT - FRESHER'S DAY - 27/07/2023

The Department of Computer Science organized Fresher's Day event on July 27, 2023, to welcome the new batch of B.Sc Computer Science students. The day began with a prayer song (Tamilthai Vazhththu), followed by welcoming address by K. Manoj Kumar, a third-year computer science student.

The college president, Er. Pon. Balasubramanian, stressed the importance of effective communication and learning coding skills to boost career prospects in the digital age. He urged the students to develop their communication skills, as well as their coding skills. The college secretary, Mr. Pon Ravichantran, encouraged the students to explore coding significance in various fields. He pointed out that coding is not just about writing computer programs, but also about problem-solving, creativity, and critical thinking.

The principal, Dr. A. Vengatesan, shared his own computer science learning journey, inspiring students to pursue their passions. He encouraged the students to follow their own passions and to never give up on their dreams. Vice Principal Dr. K. T. Tamilmani emphasized the significance of online coding classes and showcased successful alumni in the IT field. He spoke about how online coding classes can provide students with access to high-quality education, regardless of their location.

The HoD, Dr. Mani's speech was inspiring and informative, and it provided the new students with valuable guidance as they embark on their journey in computer science. The Assistant Professor Dr. V. Umadevi, during her speech told the world is becoming more and more digital, so the students need to constantly learn new skills to stay ahead of the curve. Dr. S. Mala, Assistant Professor shared her learning experiences and provided the information about the alumni. The Senior students shared their experiences and memories of their time in the college.

After the felicitation and presidential address, the program continued with a series of game events, dance performances, and a gift distribution ceremony. The goal of the event was to create a welcoming and supportive atmosphere for the incoming batch, ensuring a positive start to their college journey.

The vote of thanks was expressed by G. Pooja, a student from the II B.Sc Computer Science and the program concluded with the national anthem. Around 140 members participated in the event, including students, faculty, and staff. The event was a great way to get to know each other and to start the new academic year on a positive note.
