A Report on Zoology Association Meeting held on 06-04-2022 @ 11 am

The Research Department of Zoology organised and conducted its Association Meeting on 06-04-2022 @ 11 am. 150 Students and Teaching and Non-Teaching Staff members participated in the event. Dr P Neelananarayanan, HoD of Zoology welcomed the gathering and highlighted the importance of the programme. Our college Principal Dr A R Ponperiyasamy presided over the meeting. Our College committee President Er. Pon. Balasubramanian offered felicitations.

Mr. N Silambarasan, Assistant Inspector of Sericulture, Trichy delivered a special lecture on **“Sericulture: A Guaranteed Monthly Income Farming”**. In his speech he emphasized the lucrative revenue potential and opportunities available from this farming for every farmer on monthly basis if he or she takes it up. Initially, he explained mulberry cultivation methods, construction of silkworm rearing facilities, rearing appliances required etc., in detail. Later, he also enlightened the participants about various subsidy schemes available for a prospective sericulture farmer. The field staff of Department of Sericulture, Govt. of Tamil Nadu are ready to visit the places of interested farmers and extend all kinds of support in terms of Technical, subsidy schemes etc., He motivated the participants to share this knowledge with their parents, friends and relatives and to come forward to take up sericulture farming. A successful sericulture farmer Mr. G Saravanakumar from Sirugudivillage near Omandur, Tiruchy District shared his personal experiences on sericulture farming activities and the income he obtained from each crop on monthly basis. His words indeed motivated many participants to take up this farming in their place after completing their graduation.

In this meeting, the UG students, who secured University Ranks, Ms. S. Janani (2017-2020 Batch 5th Rank) and Ms. M.S. Monishree (2018-2021 Batch 2nd Rank) were honoured by the Chief Guests, College Committee President and Principal with presenting books. At the end, N Dhusshanthini, II BSc Zoology, the Secretary of Zoology Association proposed vote of thanks.
