## **National IP Outreach Mission awareness programme cum workshop on “Intellectual Property Rights”**

### **Report**

The Ministry of MSME, Government of India, has announced a National IP Outreach Mission in 500 Aspirational Blocks. The innovation aims to conduct 500 awareness programmes in 500 aspirational blocks, ensuring that vital information about intellectual property rights reaches every corner of the country. Our College has been selected as one of the aspirational blocks.

In this connection, an awareness programme cum workshop on “Intellectual Property Rights” for faculty members, research scholars, and postgraduate students was organized by Internal Quality Assurance Cell (IQAC) of Nehru Memorial College, Puthanampatti, on 13th March 2024. The workshop began with an opening address by Er. Pon. Balasubramanian who emphasized the significance of IPR in today's knowledge-driven economy. Shri. Pon. Ravichandran, Secretary of the College has felicitated. He highlighted the role of IPR in fostering innovation, protecting creativity, and encouraging economic growth. Dr. A. Venkatesan, Principal, Dr. Tamilmani, K.T., Vice Principal and Dr. Meenakshisundaram, Coordinator gave felicitation address. Er. U. Chandrakumar, Senior Project Engineer, CSIR, Chennai delivered a lecture on IPR. He delved into various aspects of IPR, from patents and trademarks to copyrights and trade secrets. He covered topics included; Understanding Patents and the Patenting Process, Trademarks and Brand Protection Strategies, Copyrights and Creative Works, Trade Secrets and Confidential Information.

The workshop included interactive sessions where participants had the opportunity to ask questions, share their experiences, and seek advice from the experts. These sessions facilitated active engagement and encouraged knowledge exchange among attendees.

Overall, the workshop on Intellectual Property Rights was a resounding success. Participants gained a deeper understanding of IPR concepts and learned practical strategies for protecting their intellectual assets. The event fostered a collaborative learning environment and

provided a platform for meaningful discussions on the importance of IPR in today's rapidly evolving world.

We extend our gratitude to the Management, Ministry of Micro, Small and Medium Enterprises (MSME), resource persons, and participants for their contributions, to the success of the workshop.
