SEMINAR REPORT

Topic: Artificial Intelligence and It's Application

Date: 10.01.2024

Venue: ICT HALL-1, NEHRU MEMORIAL COLLEGE

Objective:

The seminar on Artificial Intelligence (AI) and its applications aimed to provide a comprehensive overview of AI technology, its various applications across industries, and insights into its future potential. The resource person, Dr. K. Kanagalakshmi, Associate Professor, Department of Computer Application, SRM University, Trichy shared expertise and knowledge in this field to enlighten the audience.

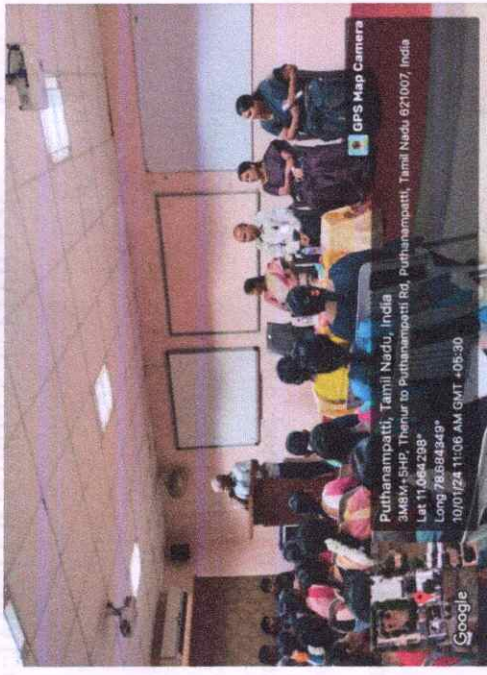

Speaker Profile:

Dr. K. Kanagalakshmi is a renowned expert in Artificial Intelligence with extensive experience in research and practical applications. Her contributions in the field have been widely recognized, and she has conducted several studies focusing on AI's impact on different sectors.

Key Highlights:

Introduction to Artificial Intelligence and definition and fundamental concepts of AI has been lectured, Discussion on the ethical considerations surrounding AI development and deployment. has been taken place. The seminar on Artificial Intelligence and its Applications, led by esteemed resource person Dr. K. Kanagalakshmi, was an illuminating exploration into the realms of AI. Dr. Kanagalakshmi, an authority in this field, captivated the audience by providing

an insightful overview of AI fundamentals, delving into its diverse applications across industries. Her expertise shone as she elucidated AI's role in healthcare, finance, retail, automotive, and agriculture, showcasing its transformative potential in each sector. The session didn't merely focus on the technical aspects; it also delved into the ethical implications of AI, shedding light on its societal impact and the need for responsible development. Attendees were left with a heightened understanding of AI's breadth, depth, and the critical considerations it demands in today's evolving landscape. Dr. Kanagalakshmi's engaging discourse and expertise paved the way for a thought-provoking discussion, leaving a lasting impression on the audience, eager to explore further the possibilities AI holds for our future. Students were enjoyed with the AI tools demonstration such as ChatGPT, Slidego, 10web and text to image converter etc.,.
