Report on "Swachh Bharat Abhiyan - Cleanliness Awareness Rally Program" to "Prevent Dengue and Malaria" jointly organized by Nehru Memorial College, Department of Data Science and Government Hospital, Omandur.

On October 5, 2023, at 10:30 AM, Nehru Memorial College, Department of Data Science in collaboration with the Government Hospital, Omandur, organized a **cleanliness awareness rally program as part of the "Swachh Bharat Abhiyan"** initiative to raise awareness about the prevention of Dengue and Malaria. The event aimed to emphasize the importance of cleanliness and hygiene in preventing these mosquito-borne diseases.

The event was graced by the presence of esteemed dignitaries: Er. Pon. Balasubramanian President, Pon. Ravichandran Secretary, Dr. A. Venkatesan Principal, Dr. K.T. Tamilmani Vice Principal, Dr. M. Meenakshisundaram Self Financing College Coordinator, Dr.L.Kannan, Chief Medical Officer, Dr.Dineshkumar Medical Officer, Government Hostpital Thuraiyur, Mrs. N.Kalpana, HoD, Department of Data Science. The event commenced with a flag waving ceremony, symbolizing unity and commitment to the Swachh Bharat Abhiyan cause. The College President, Er. Pon. Balasubramanian, hoist the flag, accompanied by other dignitaries.

The event witnessed enthusiastic participation from 90 students and faculty members from the Data Science department of Nehru Memorial College, comprising both B.Sc and M.Sc Data Science students. This active involvement underscored the commitment of the academic community to contribute to public health awareness and community engagement.

Cleanliness Awareness Rally program started from Nehru Memorial College

The cleanliness awareness rally, started from Nehru Memorial College. Upon reaching the Government Hospital, Omandur informative workshops were conducted. Medical professionals and experts from the hospital provided valuable insights into Dengue and Malaria prevention, emphasizing the role of cleanliness, proper waste disposal, and mosquito control.

At the conclusion of the program, participants and local residents were encouraged to pledge their commitment to maintaining a clean environment and taking proactive measures to prevent Dengue and Malaria. The "Swachh Bharat Abhiyan - Cleanliness Awareness Rally Program" received positive feedback from both participants and the local community. It successfully spread awareness about the importance of cleanliness in preventing mosquito-borne diseases like Dengue and Malaria. The event also strengthened the bond between the academic institution and the local community.

In the future, Nehru Memorial College and the Government Hospital, Omandur, plan to organize similar awareness programs and workshops, engaging students and the community in ongoing efforts to promote hygiene and public health.
