DEPARTMENT OF DATA SCIENCE

A REPORT ON ONE DAY SEMINAR - DEPARTMENT OF DATA SCIENCE

"THE EFFECTS OF DATA ANALYTICS AND CLOUD IN CURRENT TIMES!"

The Department of Data Science Organized, a seminar titled "The Effects of Data Analytics and Cloud in Current Times!" on 9th August 2022. Prof. N. Kalpana, Head of the Department of Data Science, welcomed the gathering. Dr. A.R. Ponperiasamy, Principal gave the Presidential Address. Er. Pon.Balasubramaniam, President, and Mr. Pon.Ravichandran, Secretary felicitated the function. **A total of 80 Students from Data Science**, Computer Science, and M.C.A. participated, gained knowledge, and learned about the job chances in the area.

The resource person is Mr.KandhaPackirisamy, CEO/ Founding Member at BloomfieldX, Tanjore, India. Three branches of BloomfieldX are in India, Germany, and United States. The resource person talked about his grooming routine. In-depth explanations of data and analytics were provided by him. He urged the pupils to follow their passions to succeed in life. His business specializes in advanced technology, cloud computing, data management, data integration, and data analytics. He explained every piece of technology in a way that was simple enough for the pupils to understand. They are partnered with big companies like IBM Business Partner, TIBCO, AWS, Oracle, Microsoft, infobip, Exasol, Qlik, snowflake and Celigo.

Mr. Muthukumar, Admin, Bloomfieldx, gave the youngsters a breakdown of what they should concentrate on to get a job. The Bloomfieldx offers numerous chances for women to become more powerful.

Dr. S. Mala, Assistant Professor, Department of Computer Science, presented a session on "Data Analytics through Linear Regression" using examples from diverse applications. The theory of linear regression was discussed in detail.

Freshers day has been conducted for class of 2022–2025 B.Sc. Data Science. Ms. Ramya, III B.Sc. Data Science student, welcomed fresher's with her poem. The Principal provided an overview and employment openings. The students must set a personal goal for themselves and work towards it. Instructions were given for maintaining their discipline.

Mr. C. Yogaraj and Ms. A. Rexcita Mary assisted in organizing the Seminar. The MC was done by Ms. Amreetha and Mr. Kumaravel of the II M.Sc. Data Science. In the end, Mr. Vasanthavel, II M.Sc. in Data Science, gave a vote of thanks. The seminar ended with the National Anthem.
