**Report on Faculty Growth and Innovation Masterclass (Faculty Development Program) on
Harnessing Generative AI**

The Faculty Growth and Innovation Masterclass on Harnessing Generative AI was successfully conducted on 25.09.2024 at the Seminar Hall, organized by the Internal Quality Assurance Cell (IQAC). The event aimed to equip faculty members with knowledge on leveraging the transformative power of Generative AI in their teaching and research.

Our College President, Er. Pon. Balasubramanian inaugurated the event and delivered the Presidential Address. In his speech, he emphasized the importance of innovation in education and the need to adopt new technologies to enhance the learning experience. His insightful words set a positive tone for the event.

Dr. K.T. Tamilmani, Principal in-charge, delivered the Felicitations Address, where he commended the IQAC for organizing the masterclass and stressed the importance of staying updated with emerging technologies like AI, especially for faculty members.

The keynote lecture was delivered by the Resource Person, Mr. Vasudevan Kidambi, Managing Director of NAVOINC, Dubai. In his engaging presentation, Mr. Kidambi discussed the importance and need for Artificial Intelligence, focusing on how Generative AI is revolutionizing various industries and academic fields. He provided valuable insights on how faculty members can harness AI to enhance their teaching methodologies, improve student engagement, and contribute to innovative research.

The event was further honored by the presence of Shri. B. Surya Balasubramanian, Treasurer, and Ms. Sreeya Balasubramanian, who graced the occasion with their participation.

The target participants, faculty members, actively participated throughout the session, raising various questions and concerns about the application and ethical implications of AI in education. Mr. Kidambi patiently addressed all their queries, ensuring a deeper understanding of the topic.

Earlier, Dr. K. Saravanan, IQAC Coordinator, welcomed the gathering and highlighted the importance of continuous faculty development in the ever-evolving technological landscape.

The program concluded with a Vote of Thanks delivered by Dr. R. Kabilan, Assistant IQAC Coordinator, who expressed heartfelt gratitude to the resource person, the college administration, and all the participants for making the event a resounding success.

The event was skillfully anchored by Dr. S. Mala, Assistant Professor of Computer Science, who served as the Master of Ceremony, ensuring the smooth flow of the program from start to finish.

This Faculty Development Program, organized by IQAC, was highly informative and successful, offering valuable insights into how Generative AI can be harnessed for academic growth and innovation.
